

State Representative **DEANNE M. MAZZOCHI**

ANNOUNCES & INVITES YOU TO ATTEND HER...

Some of our best legislative ideas that make a real-world difference come from individual residents who live with a problem, and need help to make it right. We can make that happen the more we build coalitions to work together. Every time I meet with our residents, they give me something new to think about and ideas for how we can engage in creative problem-solving to help all Illinoisans.

Everyone is invited and encouraged to share their thoughts and experiences. Legislative staff will be on hand to answer questions or concerns; or to share friendly conversation.

State's Attorney Bob Berlin, Sheriff James Mendrick's office, County Board Member Greg Hart, and Westmont Trustee Steve Nero will be in attendance to hear from you.

Dinner and refreshments will be served.
